

美洲華人生物科學學會

Society of Chinese Bioscientists in America *2015 SCBA Awards*

Lifetime Achievement Award

Horace H. Loh, Ph.D., Regent Professor
Department of Pharmacology
University of Minnesota Medical School

In recognition of his distinguished career, pioneering achievements and leadership in biochemical neuropharmacology, especially on the neurochemical mechanisms of opioid addiction

Presidential Award

Wei Yang, Ph.D., Senior Scientist
Laboratory of Molecular Biology
National Institute of Diabetes and Digestive and Kidney Diseases
National Institutes of Health

In recognition of her exceptional and groundbreaking achievements and leadership in structural biology, especially on mechanisms in DNA recombination and genome

mutations

Junior Achievement Awards

Nieng Yan, Ph.D., Bayer Professor
School of Medicine
Tsinghua University

In recognition of her exceptional and groundbreaking achievements and as a rising star in the field of structural biology and membrane protein biochemistry, especially on the structural and mechanistic understanding of the major facilitator superfamily of transporters

Hongjun Song, Ph.D., Professor
Institute for Cell Engineering
Johns Hopkins University School of Medicine

In recognition of his exceptional and groundbreaking achievements and as a rising star in the neuroscience and stem cell biology fields, especially in elucidating the mechanisms and functions of neural stem cells and neurogenesis in mammalian brain
